

Unit 5 Part 3 Study Guide

~ Three Dimensional figures ~

Unit 5: Geometry (Ch. 9 in your book and supplementary lessons)

The following content will be assessed on your unit test. You should review your notes, worksheets, and homework. For extra examples and videos be sure to look over Unit 5 on www.shermanmath7.weebly.com

- Comparing and naming prisms, pyramids, and their nets
- Surface area of prisms and pyramids
- Volume of prisms and pyramids
- Volume of composite solids
- Cross-sections of planes and 3d figures (Slicing 3d figures and determining the resulting polygon faces)

For extra support beyond material suggested above, please reach out to me prior to the assessment.
