Unit 1 Test Study Guide

Unit 1: Integers, the number system, and operations with negative values (Chapters 1 and 2 in your book)

The following content will be assessed on your unit test. You should review your notes, worksheets, and homework. For extra examples and videos be sure to look over Unit 1 on www.shermanmath7.weebly.com

- ☐ Converting fractions to decimals using long division or proportions

- ☐ Recognizing number sets (rational, irrational, whole, integer)

- ☐ Absolute value and opposites

- ☐ Adding / subtracting integers and fractions

- ☐ Multiplying / dividing integers and fractions

- ☐ Word problems with negatives/fractions/integers

For extra support beyond material suggested above, please reach out to me prior to the assessment.
