

# Unit 3 Benchmark 1

## Study Guide

**Unit 3:** Numerical and Algebraic Expressions and Equations (Supplemental review of numerical expressions, and Ch. 3 in your book)

The following content will be assessed on your unit test. You should review your notes, worksheets, and homework. For extra examples and videos be sure to look over Unit 3 on [www.shermanmath7.weebly.com](http://www.shermanmath7.weebly.com)

### Part 1:

- Exponents and scientific notation
- Order of Operations (GEMDAS)
- Distributive Property and simple factoring
- Recognizing and combining Like Terms
- Recognizing and comparing expressions, constants, coefficients, variables, and terms

For extra support beyond material suggested above, please reach out to me prior to the assessment.
